FREE GUIDE · 2026 SEASON

Hi, I'm Miss GS 💛

I'm Denise, a Naples local and the founder of My Gulf Social.

I got tired of digging through a dozen websites and Facebook groups just to find a good happy hour. So I started keeping a list: the best happy hours, the fun ladies nights, the trivia that's actually fun, and the places where locals really hang out.

This guide is that list. It's curated by me, so you can skip the guessing and go straight to the good stuff.

📅 **Day by day:** where to go, Monday to Sunday
🌴 **Visitors in town?** The 10 places locals take their guests
📲 **Live updates:** happy hours with a countdown, who's playing tonight and more on mygulfsocial.com

Deals and times change, so tap the spot in the app for today's details before you go.
